

## 1. A-LA-LA-LA-LA-LADDIN

In bygone days and Arabian nights,  
Wasn't much of a life for the poor.  
If you were born and you didn't have much,  
Then you understood what was in store.  
You knew your lot was the little you got,  
It was something you had to endure.  
But one boy wasn't so sure.

A-la-la-la-la-laddin,  
When did you realise there could be more?  
A-la-la-la-la-laddin,  
You broke the mould and gave the world what for.  
A-la-la-la-la-laddin,  
You showed sometimes you've gotta take what you're owed,  
A-la-la-la-la-laddin, A-la-la-la-la-laddin.

The wealthy few wouldn't open their eyes,  
Worried they wouldn't like what they'd see.  
They stayed away, kept the rabble at bay,  
And they kidded themselves they were free.  
So suns went down and the moons came around,  
It was clearly the way it should be.  
But one boy didn't agree.

A-la-la-la-la-laddin,  
When did you realise there could be more?  
A-la-la-la-la-laddin,  
You broke the mould and gave the world what for.  
A-la-la-la-la-laddin,  
You showed sometimes you've gotta take what you're owed,  
A-la-la-la-la-laddin, A-la-la-la-la-laddin.

A-la-la-la-la-laddin,  
You showed sometimes you've gotta take what you're owed,  
A-la-la-la-la-laddin, A-la-la-la-la-laddin, A-la-la-la-la-laddin.

## **2. UNDER MY SPELL**

### **Aladdin:**

If I had three wishes,  
I'd only the need first.  
That would be enough for me  
To be with her.  
I'd wish that she could see me,  
Deep inside my heart,  
Knowing how I feel for her would be a start.

### **All:**

Oh and I know you're gonna tell me that I'm dreaming.  
Yeh, well I'm telling you that things'll turn out well.

Cos she'd be under my spell,  
Suddenly I'm Prince Charming,  
She'd be under my spell,  
Gazing into my eyes,  
She'd be under my spell,  
Debonair and disarming,  
She'd be under my spell,  
So discerning and wise.

When you get that feeling,  
Love is in the air,  
Everything seems easier,  
Without a care.  
The sun is always shining,  
Skies are never grey,  
All the world's your oyster,  
Gotta seize the day.

### **Aladdin:**

Oh and I know you're gonna tell me that I'm crazy,  
Yeh, well I'm telling you she's gonna be my belle,

### **All:**

Cos she'd be under my spell,  
Suddenly I'm Prince Charming,  
She'd be under my spell,  
Gazing into my eyes,  
She'd be under my spell,  
Debonair and disarming,  
She'd be under my spell,  
So discerning and wise.

### **3. ALL THAT GLITTERS ISN'T GOLD**

#### **Solo 1:**

Into the darkness, into the uncharted,  
Looking for an answer or two.

#### **Solo 2:**

Feeling your way and every step you're taking's  
Leading you to some kind of truth.

Suddenly a shimmering  
And flickering of light,  
Promises of riches  
Come twinkling into sight.

But all that glitters isn't gold,  
Oh, no, no, no.  
All that glitters isn't gold,  
Oh, no, no, no.

#### **Solo 3:**

Searching for something, started out at nothing,  
Never gonna stop 'til you're there.

#### **Solo 4:**

Knowing your fortune's waiting at the door, but  
There's a sign that's labelled beware.

Then a flash before your eyes,  
And suddenly you see,  
The promise of a future,  
You never thought could be.

But all that glitters isn't gold,  
Oh, no, no, no.  
All that glitters isn't gold,  
Oh, no, no, no.

The promises that riches seem to hold,  
But all that glitters isn't gold.

#### 4. FRIEND LIKE ME

**Genie:**

Well, Ali Baba had them forty thieves  
Scheherazade had a thousand tales  
But, master, you're in luck 'cause up your sleeves  
You got a brand of magic never fails  
You got some power in your corner now  
Some heavy ammunition in your camp  
You got some punch, pizzazz, yahoo and how  
See all you gotta do is rub that lamp  
And I'll say

**Genie:**

Mr. Aladdin, sir  
What will your pleasure be?  
Let me take your order  
Jot it down  
You ain't never had a friend like me

**Genie:**

Life is your restaurant  
And I'm your maitre d'  
Come on whisper what it is you want  
You ain't never had a friend like me

**All:**

Yes sir, we pride ourselves on service  
You're the boss  
The king, the shah  
Say what you wish  
It's yours! True dish  
How about a little more baklava?  
Have some of column "A"  
Try all of column "B"  
I'm in the mood to help you, dude  
You ain't never had a friend like me

Can your friends do this?  
Can your friends do that?  
Can your friends pull this out their little hat?  
Can your friends go, poof?

Can your friends go, Abracadabra, let her rip  
And then make the sucker disappear?

So don't you sit there slack-jawed, buggy-eyed  
I'm here to answer all your midnight prayers  
You got me bona fide certified  
You got a genie for your charge d'affaires

**Genie:**

I got a powerful urge to help you out  
So what's your wish? I really wanna know  
You got a list that's three miles long, no doubt  
Well, all you gotta do is rub like so

**All:**

Mr. Aladdin, sir, have a wish or two or three  
I'm on the job, you big nabob  
You ain't never had a friend, never had a friend  
You ain't never had a friend, never had a friend  
You ain't never had a friend like me

**Genie:**

You ain't never had a friend like me!

## 5. SPEECHLESS

### **Jasmine:**

Here comes a wave meant to wash me away  
A tide that is taking me under  
Swallowing sand, left with nothing to say  
My voice drowned out in the thunder

But I won't cry  
And I won't start to crumble  
Whenever they try  
To shut me or cut me down

I won't be silenced  
You can't keep me quiet  
Won't tremble when you try it  
All I know is I won't go speechless

### **Jasmine & Some of Jasmine's friends:**

'Cause I'll breathe  
When they try to suffocate me  
Don't you underestimate me  
'Cause I know that I won't go speechless

### **Solo 1:**

Written in stone, every rule, every word  
Centuries old and unbending

### **Solo 2:**

Stay in your place, better seen and not heard  
But now that story is ending

### **Jasmine:**

'Cause I  
I cannot start to crumble  
So come on and try  
Try to shut me and cut me down

### **All:**

I won't be silenced  
You can't keep me quiet  
Won't tremble when you try it  
All I know is I won't go speechless  
Speechless

### **Solo 3:**

Let the storm in  
I cannot be broken  
No, I won't live unspoken  
'Cause I know that I won't go speechless

### **All:**

Try to lock me in this cage  
I won't just lay me down and die  
I will take these broken wings

And watch me burn across the sky  
Hear the echoes saying I

Won't be silenced  
Though you want to see me tremble when you try it  
All I know is I won't go speechless  
Speechless

'Cause I'll breathe  
When they try to suffocate me  
Don't you underestimate me  
'Cause I know that I won't go speechless  
All I know is I won't go speechless  
Speechless

## **6. TAKE A CHANCE**

### **Solo or Group (Jasmine Friends)**

Now you're gonna learn what it's like,  
Now you've gotta stand on your own two feet,  
You've never really known how it feels,  
Freedom doesn't mean that it's oh so easy,

You've got an opportunity,  
You've had a little break,  
But do you think you've got what it takes, oh

Take a chance, take a chance,  
Gotta be out there to find romance.  
Take a chance, take a chance.  
Take a chance, take a chance,  
Moving ahead, not a backward glance.  
Take a chance, take a chance.

### **Solo or Group (Jasmine Friends)**

Yesterday's a thing of the past,  
You're already diff'rent to who you were,  
You understand there's no going back,  
Can you make the most of the here and now?

You've got an opportunity,  
You've had a little break,  
But do you think you've got what it takes, oh

Take a chance, take a chance,  
Gotta be out there to find romance.  
Take a chance, take a chance.  
Take a chance, take a chance,  
Moving ahead, not a backward glance.  
Take a chance, take a chance.

## **7. SONG OF THE SOLDIERS**

'nother day, 'nother play, End  
on the way,  
Standing 'ere like soldiers, Not  
much to say.  
Watchin' the story, allegory,  
Tryin' not to think about the lavatory. Upstage,  
upright,  
Melting in the floodlights,  
Wishing we'd auditioned for the leads in hindsight, Countin' the  
minutes 'til the curtain falls,  
I doubt that we'll be coming out for curtain calls.

Stand here, stand there,  
Your job's to stand and stare. Look  
mean, look tough,  
And that will be enough.

All alike, all the same, Aint  
got a name,  
Blend into the background, No  
chance of fame,  
We're decoration, ornamentation,  
Still they want us pondering our motivation. Eyes front, lips  
sealed,  
Dozing in the outfield,  
Ever get the feeling that you're just a fifth wheel? Never be the  
hero, never be the prince,  
Stuck 'ere in the background and it really stinks.

Stand here, stand there,  
job's to stand and stare.  
Look mean, look tough,  
And that will be enough.

Stand here, stand there, Your  
Your job's to stare.  
Look mean, look tough,  
And that's enough.

Stand here, stand there,  
job's to stand and stare.  
Look mean, look tough,  
And that will be enough.

Stand here, stand there, Your  
Your job's to stare.  
Look mean, look tough,  
And that's enough.

## **8. REVENGE**

**Jafar:**

Revenge is a seven letter word, Creeping up  
behind you,  
Never being heard.

Revenge is a dagger in the dark,  
Whisper at the window,  
Shadow in the park.

**All:**

Won't see us coming, Won't  
know we're there,  
Yet something's telling you 'beware',  
Revenge is waiting everywhere.

Gonna get you  
Gonna get you

**Jafar:**

Revenge is the righting of the wrong,  
Prey become the hunters,  
Weak become the strong.

Revenge is the tipping of the scales,  
In the quest for justice  
Vengeance never fails.

**All:**

Won't see us coming, Won't  
know we're there,  
Yet something's telling you 'beware', Revenge is  
waiting everywhere.

Gonna get you (x4)

## **9. A WHOLE NEW WORLD**

### **Aladdin:**

I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

### **All:**

A whole new world  
A new fantastic point of view

### **Aladdin & Jasmine:**

No one to tell us, "No"  
Or where to go  
Or say we're only dreaming

### **Jasmine:**

A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear  
That now I'm in a whole new world with you

### **All:**

Now I'm in a whole new world with you

### **Solo 1:**

Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

### **All:**

A whole new world (don't you dare close your eyes)  
A hundred thousand things to see (hold your breath, it gets better)  
I'm like a shooting star  
I've come so far  
I can't go back to where I used to be

A whole new world (every turn, a surprise)  
With new horizons to pursue (every moment, red-letter)  
I'll chase them anywhere

There's time to spare

Let me share this whole new world with you

**Aladdin + Part 1** A whole new world

**Jasmine + Part 2** (A whole new world)

**Aladdin + Part 1** That's where we'll be

**Jasmine + Part 2** (That's where we'll be)

**Aladdin** A thrilling chase

**Jasmine** (A wondrous place)

**All:**

For you and me
