

A...A...A...A...Aladdin – costumes

Please find below the items of clothing children are asked to provide for their costumes for our production.

Costumes should be ideally named and placed in a named bag (or hung on a named hanger).

We would like costumes sent in from Monday 16th March and all in by Wednesday 18th March so we can check everyone has everything they need in good time.

Please let us know as soon as possible if you are unable to find what your child needs – we may be able to source from within school or borrow from someone else. School is providing some costumes.

Volunteers to help with some simple machine or hand sewing would be very welcome – please see Mrs McAllister

Thank you for your support

Miss King, Mrs McAllister and the Year 5 team
