Gymnastics CPD for all teaching staff	As this was the first year of our class teachers teaching gymnastics, we felt this was the sport to focus on to increase staff's confidence.	Continue CPD in gymnastics by supporting the less confident staff.
Supply teachers for teachers taking children to sporting events and competitions. Fees for competitions, medals and leagues.	Increased children's sporting capabilities and confidence. A range of children were given the opportunity to represent the school and show the school values.	This will continue every year.
Purchasing more equipment to continue to develop the sports and activities offered at Willow Bank	This allowed children to have a range of activities and to have their own equipment during a lesson so they could spend more time participating.	Equipment will be updated regularly.
Purchasing sports kits/ clothing	The children have commented on how proud they feel to represent Willow Bank in the sports kits we have.

We now have a reliable venue and swimming will be a big focus next year.
