

SECTION 10: HOME-SCHOOL AGREEMENT

Our beliefs for our school can be summarised in our school vision. This is to:

- ◆ respect each other;
- ◆ cater for the needs of all;
- ◆ take a pride in our school;
- ◆ get involved;
- ◆ be a good team member;
- ◆ show initiative.

The overall aim for our school is to provide a broad and balanced curriculum, which will help the children develop enquiring minds and acquire the knowledge and skills to prepare them for adult life.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home-school agreement.

The School's Agreement

The school will try to:

- ◆ Provide a broad and balanced curriculum which promotes excellence and enjoyment.
- ◆ Keep you informed about school matters and your child's progress.
- ◆ Be welcoming and open and offer opportunities for you to become involved in the life of the school.
- ◆ Contact you should you have any concerns or worries about your child.
- ◆ Have high expectations to achieve high standards of behaviour through building positive relationships.
